Dear Simon,

On Saturday, 4 May, you kindly offered for several members of our group to visit Bradco Joinery. We were able to use your state of the art facilities to prepare materials for twenty dining tables which will be assembled in Vanuatu as part of our Service tour. On behalf of all members of the group, I wish to extend our sincere appreciation for your generosity. Our project is now considerably advanced owing to your supplying of the equipment and resources, including the assistance from Jamie, a member of your staff. The pallet is now en route to Vanuatu, where we will be able to assemble and paint the tables much easier, faster and more efficiently than we would have been able to do without your help.

We would like to recognise your generous assistance to our project at a School Assembly upon our return.

Once again, thank you for your contribution to our Service endeavour.

Kind regards

Rod Olsen, George Clutton, Andrew Frater, Thomas, Daniel, William, Baily, Campbell,  
Johnathan and Isaac
